DESCRIPTION

Caregivers by DSA are providers of health care for family members and professionals. Caregivers to family members are self-reported from online sources. The professionals are sourced from reported occupations. This audience directly effects purchasing decisions for health products, home safety aids and services. The file is available at postal and email address and is updated daily.

Self-reported caregivers to family members have indicated they are responsible for the finances, prescriptions, doctor appointments and purchasing products & supplies they need. This information has been provided as part of responding to online offers for insurance, health product and services. The professional care givers are home health aides and are identified by their reported occupation.

File Sources: Responders are from direct mail, retail and online activity. Business occupation is from government records
