DESCRIPTION

Check Cashing Service Users by DSA. Reach users of nationwide check cashing services. The file is sourced from the financial firms that provide this financial service solution for those without bank accounts or local banking options. Many of the users of this check cashing service are regular weekly check cashers. They rely on this service to provide them with immediate cash.

Check cashing services provide low income and underbanked individuals with instant access to their money. There are no holds on the funds waiting for them to clear. A small fee is charged per check cashed for the service. The retail outlets are typically open longer hours, including weekends when other standard banking institutions are not open. This provides the access and flexibility needed for this underbanked audience.
